Good morning,

Thank you for contacting Phillips 66 Product Safety. Per your request, please find the attached Safety Data Sheet. Please note this is a discontinued product, therefore the SDS will not be updated going forward. However, it is still considered valid for the material.

For your convenience, all SDSs for our current products are OSHA HazCom 2012 compliant and may be found on our website at: http://secure-web.cisco.com/13Lei2chbom6un__p1V_0pFaBubtYj_Q68Ui1jM2q_L2zA0buMSlS8Q-0Si4Q6URXhVjPhdDhZZGwkRVVlB0v14HWuCrtgZ-kv1mV7KD9vcV-zjxOuRBuRKMXFImsJ6S1vosxon1ajJW-C-P62UlhHsSxWMKxnyMOTt3MTCB9-Hrmna6fNQlbHP18wTxdtkP4QuFaOX8E4vkrfCvabhKym4liJ5qGjnIm9StMldDcQee5xUg9a0kO5uTaebfhX78mym3hbS9y5cUxc1pHS5Q48TIuL68J90A0RgWjihzLcfLF_Ddg78PNgCb11BSAsnNeThcWYVtVBOqULY_ZNaS296Vznot2ojySpj1gmgaSfs/http%3A%2F%2Fwww.phillips66.com%2FEN%2Fproducts%2FPages%2Fmsds.aspx . You may also send requests to SDS@P66.COM or call (800)762-0942.

If you need technical assistance with a Phillips 66 lubricants product, please call (877)445-9198. For lubricant sales or where to buy, please call (800)368-7128.

Fax:
MSDS Number:

We have a drum of a product labeled as
UNAX RX 46 from Union Oil Company of California.
I understand that they are now merged with Phillips.

Is there any chance that you would have a GHS compliant SDS for this product?

If I should be asking someone else, do you know who?

Thanks
