Subject: Safety Training

George,

You still need to do the web portion of your PPE training.

In addition you still should do the cryogen and confined space modules.

The safety web site is at:
http://www.physics.purdue.edu/primelab/safety/safetymenu.htm

Also, Jane has some more training to do.
She needs to do CHP, Gas Cylinder, and Cryogen,
and appropriate PPE modules (she has taken Labcoat,
and Glassblowing)

Ken
