### Request for EXTENSION of WebAssign Deadline

Your Name: \_\_\_\_\_

Your email address: \_\_\_\_\_

Your Recitation Instructor: \_\_\_\_\_

For which WebAssign assignment are you requesting an extension?

Do you want the deadline extended by a full week?

Give your reason for requesting a deadline. Provide documentation if it is due to illness, family emergency, etc. You may also request an extension due to academic conflicts, such as having multiple exams/assignments in other classes, but you cannot make such requests multiple times.

This request will be forwarded to your Recitation TA, who will make the decision about granting the extension. Direct any further questions to your TA.
