Physics GR-6  
 Purdue University

PHYSICS AND MATH COURSE LISTING

**Please note: This form must be returned as well as the transcript.**

Complete the following table for every course studied in college or graduate school in the fields listed below. (Years taken refers to F(Freshman), So(Sophomore), etc., U (undergraduate credit), and G(graduate credit); if quarter-hours, multiply by 2/3 to convert to semester-hours).

	Course No.	Descriptive Course Title	Years Taken	Sem. Hrs. U G	Grade	Text Used Title	Author
		Introductory Physics					
		Intermediate Physics					
		Mechanics					
		Mechanics					
		E & M					
		E & M					
		Optics					
		Optics					
		Thermo.					
		Stat. Phys.					
		Modern Phys.					
		Quant. Mech.					
		El. Particle					
		Nuclear					
		Plasma					
		Solid State					
		Spectroscopy					
		Other					
		Other					
		Mathematics					
		Calculus I					
		Calculus II					
		Calculus III					
		Ord. Dif. Eq.					
		Part. Dif. Eq.					
		Other
