

Daisy Surface

2-26-07

My Thumb

My thumb reminds me of lines going on
and on,

A hurricane going through my thumb,
Swirls swirling around.

Half of a circle swirling a hundred
times,

An eyeball,

It can look like circle doors.

How about lines on a pencil,

It looks like curvy lines too.

It looks like a river floating along,

And last a ton of circles getting smaller
and smaller.
