

## 2010-2011 Budgeted Annual Salary Statement

The annual salary listed above represents your annual base salary and is only one portion of your compensation from the University. Your Purdue benefits - valued at thousands of dollars per year - typically add another 25-35 percent to your total compensation. Your personal benefits package depends upon your position classification and the benefit choices you make during enrollment.

For more information about the benefits listed below, please contact the appropriate office. Details about many of these benefits are available through the Staff Benefits web site at [www.purdue.edu/benefits](http://www.purdue.edu/benefits).

### Benefits Package
