

Mastering Physics with Blackboard

1. Log into **Blackboard** at <http://mycourses.purdue.edu/> with your Purdue Career Account and password, and **select your Physics course** for the current semester.
2. First, click on the menu link for **“Mastering Physics”** on the left side of the course page. Next, click on the link for **“MasteringPhysics Course Home”**.

Mastering Physics

MasteringPhysics Course Home

Access your MasteringPhysics course for additional content and assignments.

Register for Mastering Physics with Blackboard

You only need to complete Steps 3 to 6 for registration one time for your physics course. **You do NOT need a Course ID to register.** If you are asked for a Course ID, cancel the registration and use the “MasteringPhysics Course Home” link in Blackboard as explained in Steps 1 and 2 above.

3. Complete Step 1 and 2 as explained above. After clicking on “MasteringPhysics Course Home”, you must accept the **License Agreement**.
4. **Sign in** with your **existing Pearson account** or **create a new Pearson account**. If you create a new account, it is recommended to use your Purdue email as your username.
5. Select an option to **pay for access** to Mastering Physics by entering an **Access Code** or by using a **Credit Card or PayPal**. You can also get **Temporary Access for 14 days** by clicking on the link at the bottom of the page.
6. Once you have finished registering, you should see a screen that says **“You’re done”**. You can click on **“Go to Your Course”** to access the course on Mastering Physics or use the **“MasteringPhysics Course Home”** link in Blackboard.
