

Recurring Annual Proposals

Sponsor	Program	Approximate Deadline
PURDUE	Discovery Park Seed Grant	January or February
NSF	Research Experience for Undergraduates (REU)	June
NSF	CAREER	July
AFOSR (Air Force Office of Scientific Research)	Young Investigator Research Program (YIP)	July
NSF	Physics of Living Systems (PoLS)	Every July 31st
DOD (Department of Defense)	Defense University Research Instrumentation Program (DURIP)	August
NSF	Atomic Molecular and Optical Physics	Last Wednesday in September
NSF	Education and Interdisciplinary Research (EIR)	Last Wednesday in September
NSF	Elementary Particle Physics (EPP)	Last Wednesday in September
NSF	Gravitational Physics	Last Wednesday in September
NSF	Nuclear Physics	Last Wednesday in September
NSF	Particle and Nuclear Astrophysics (PNA)	Last Wednesday in September
NSF	Theoretical Atomic, Molecular, and Optical Physics (TAMOP)	Last Wednesday in September
NSF	Theoretical Physics	Last Wednesday in September
DOE	Outstanding Junior Investigator (OJI)	October or November
DARPA (Defense Advanced Research Projects Agency)	Young Faculty Award (YFA)	October through January
NSF	Physics at the Information Frontier (PIF)	Fourth Wednesday in October
PURDUE	Collaborative Biomedical/Translational Research -CBR/CTR PILOT	December

NOTE: Deadlines are approximate and can change from year to year.
