

Homework Set #2, Physics 630, Fall 2025, due Friday, Sept.19 at 5 pm in Brightspace

Solve Jackson problems 2.2, 2.7, 2.10, 2.11

Note that in solving 2.11, you may use some of the results stated in problem 2.8, but you are not required to provide a solution to #2.8. For your own benefit, however, it would be good practice for you to go ahead and solve problem 2.8 in your “vast spare time”.
