

# PHYSICS / INSIDE OUT

**Five days of physics for current grade 7/8 students!**

*There is no cost to participate!*

**June 8-12, 2026**

**Dates:** M-F June 8-12, 2026

**Where:** Purdue Physics (West Lafayette)

**Times:** 9:15 AM to 3:30 PM daily

**Lunch:** Purdue Dining Courts

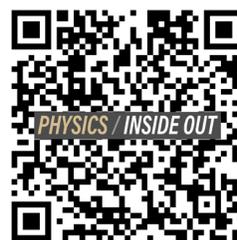

## What can you expect?

- Do real physics from nano to astro
- Hands-on experiments every day
- Get to know Purdue professors and students
- Explore the fantastic France Cordova Recreational Center
- Learn about careers in physics and astronomy

**Register before April 15, 2026**

### REGISTRATION:
