

PHYSICS / INSIDE OUT

June 20 - 23, 2023

**Four days of physics
for upcoming
9th - 12th graders!**

There is no cost to participate!

Physics Inside Out is a four-day program open to students entering grades 9-12 for fall 2023

Dates: T-F June 20 - 23, 2023

Where: Purdue Physics (West Lafayette)

Times: 9:15 AM to 3:30 PM daily

Lunch in Purdue University Dining Courts

What can you expect?

- ⇒ Make cool stuff and do cool experiments
- ⇒ Explore physics from nano to astro
- ⇒ Tour labs and meet the experts
- ⇒ Learn about careers in physics and astronomy

Register before May 19, 2023

REGISTRATION:
