

PGSA Meeting 08/04/2017

Grad Seminar

Please email special dietary requests if you are planning on attending the seminar.

Three graduate seminars planned

-Pizza Lunch

Need people to attend the first-year orientation pizza lunch

-Fall Scavenger Hunt

Abhilash and possibly John and Abby to help with the planning

-Game Nights

Board game night to be held in PHYS 19 with food/snacks to be scheduled

-Cleaning the Lounge

Clean the main space (hot water and repainted) as well as making the back room into something useful (Maker Space? for people to make things in their free time)

Cleaning party to clear out the space and need more supplies

-Hog Roast

Possibly no pig and replace with smoker and grilling food since not enough money for pig, rotisserie, and charcoal.

Could replace with chicken, pork chops, or other meats.

Last week September or first week of October

-Misc.

Intel is coming on August 8th

Funding, post doc, and other graduate talks

Updating website and possible making/updating a Facebook page

-Misc continued

Time tables for travel plans

Photo of the committee at some point

-Talks with Finley

Jared, Abby, Matt, Daryll, and possibly one more person at least to attend

Grad student wide issues (eg. Qualifier format, hot water in the lounge)
