

PGSA Meeting 07/10/2019

Budget

Need to apply for grant and be mindful of limit along with reducing some costs/meetings (reduce seminar talks and reduce cost of general meetings for e.g.).

Aiming for \$1500 for grant but will need subsidiary money. Send link around with shirts or mugs. May need to split initial costs with the department.

Need to design the shirts and mugs and check if we can use the Purdue Logo. Could outsource both design and final choice of design.

Qualifiers

Can't join committees for qualifiers. Can meet with people (Robicheaux and Muzikar) though, need to determine a date.

Seminar Series

Invite people from other departments and can only have 4 until the fall.

Events

Cookout and general meeting (Booking, food, cook, etc.)

Scavenger Hunt (Might have to redo clues and volunteers)

Thanksgiving (Need people to bring food and actually make it a potluck, more of the sides than the turkey and more diversity)

Try and get more students to come to events. Possibly let incoming students join the PGSA or write some emails in Chinese.

Misc.

Need new coffee sign up sheet

See Email for actual list but preliminary:

Team Shirts- Abby, Soham, Troy, Riddhi

Team Qualifiers- Abby, Troy, Jared

Team Event- John, Amanda, Abby
