

Minutes 08/29/2019

Budget:

Grant has been submitted.

Mug Fundraiser - changed the mug design to the regular white Physics and Astronomy logo that's also on the department t-shirt, along with the official Purdue University logo.

Social Events:

Social Dinner at 6:30 on 09/05 starting at 6:30 pm.

Canoe trip on 09/14 from 9:30 am to 12:30 pm.

We will try to do the Observing Night again, need to try and advertise it better.

SPS wants to do an ice cream social on 09/20 starting at 7:30 pm.

ECE and others invited us to help host a barn dancing event on 09/27. Transportation will be available but will cost \$13 per person.

Adopt a Road:

We know where our section of road is and Bill Fornes has offered to host a potluck meal with cleaning up the road. Please volunteer if you can.

Qualifier Critique:

Need to bring issues with the Qualifier questions and suggestions for future problems.

The chairs are willing to meet if we can contribute input.

Misc.:

Senate- first meeting is just logistics, but next will be about insurance so bring questions if you have any.

Purdue Day of Giving- We can participate in this event in April to try and get more funds for PGSA.

Colloquium lunch- idea that the graduate students host the speaker for lunch and set it up. Will need to make an email list to send out for graduate students who want to participate.
